

Helping Hands Chore Service Receives Funding from Archbishop's Annual Appeal

Nov. 2022 - Winsted – Helping Hands Chore Service, a 501(c)(3) community based, home care agency received \$1,375 from the 2022 Archbishop's Annual Appeal. Funding will support medical transportation and affordable home care for our most vulnerable senior clients who are ill, homebound, living alone with limited family support, or residing in remote areas of the community. The grant also provides food assistance for clients during the holidays.

"We appreciate the generosity of all donors who contributed to the Archbishop's Annual Appeal," said Director Irene Connole. "This award will help enhance the health and wellness of our clients by providing them access to dependable transportation, quality doctors and healthcare providers."

For 15 years, Helping Hands has served the basic needs of local seniors, offering quality, affordable home care, regardless of income. Our goal is to help them remain safe and independent at home for as long as possible. For more information on Helping Hands, call 860-379-4900 or visit www.helpinghandschoreservice.org. Helping Hands is partially funded through a grant from the Western Connecticut Area Agency on Aging.

Since 1981, the Archbishop's Annual Appeal has been able to assist thousands of people across the Archdiocese of Hartford with health care, education, housing, emergency expenses, and in numerous other areas. It is through the Archbishop's Annual Appeal Vicariate Outreach Program and the generosity of its donors that the appeal can assist a wide array of community-based charities throughout Hartford, New Haven and Litchfield Counties.
